MAESTRO is a stylish twin jet cruiser available on a semi custom basis from this famous Thomaston, Maine builder. The design by Mark Fitzgerald of the Paine office is similar to the earlier *ANNIE ROSE*, but with twin propulsion and a traditional stern treatment. Her top speed is 34 knots.

THE STAINLESS STEEL WINDSHIELD MAXIMIZES THE GLASS AREA FOR EXCELLENT VISIBILITY

THE TOP QUALITY INTERIOR FINISH FOR WHICH LYMAN MORSE IS WELL KNOWN

SUPERB HANDLING AND GREAT LOOKS WITHOUT MAINTAINING EXTERIOR WOODWORK

Further inquiries concerning this top of the line twin jet speedster may be directed to either the builder or designer.
