

17.5 FT. CAMP CRUISER

NORSEBOAT

It is highly unusual for a small boat builder to engage the premier naval architecture firm in the nation for its design. But if you want the best in any art you must seek out the master. One has only to cast a glance on the Norseboat 17 to understand that this is no ordinary small craft. Every detail, every line, every nuance of its impeccably balanced performance bespeaks the very finest obtainable to those who know and value perfection.

THE NORSEBOAT 17 IS THE HIGHEST QUALITY ROWING/ SAILING/ CAMPING YAWLBOAT CURRENTLY BUILT.
